Famous Movie Wedding Gowns Paper Dolls

Synopsis

Tom Tierney has done it again with this exquisitely rendered collection of favorite wedding dresses straight from the scenes of cinematic history! The lovely faces of fifteen unforgettable brides are accompanied by the fabulous gowns they wore for their famous motion picture nuptials. Paper doll fans and movie buffs can dress two figures in bridal costumes worn by Claudette Colbert (It Happened One Night), Elsa Lanchester (The Bride of Frankenstein), Julia Roberts (Runaway Bride), Meg Ryan (Prelude to a Kiss), and eleven more brides, all from movie masterpieces ranging from the 1930s to the present.

Customer Reviews

My daughter (30 years old) loved this. She's a history major and she loved the detail. She'll never cut them out...she just loves looking at it.

i bought this for my best friend's daughter who is getting married. thought it would be fun. it is, however, the artwork is just fair. so, do not buy this expecting to see a perfect representation.

These were purchased for my granddaughter and my daughter found them more fascinating in terms of the personalities! These are nice quality books either for use or collecting.
