Protest Stencil Toolkit

DOWNLOAD EBOOK
Synopsis
This book contains 46 die-cut stencils and a stencil typeface which can be used to create slogans and powerful visual messages. The stencils reflect the concerns of our times, such as the environment and the financial system, and include some examples from the great protest movements of the 20th century. With a mixture of powerful images and the limitless potential to create slogans, the book is both a fun resource and a serious look at the graphics of protest.

Customer Reviews

hard to get stencils out. not sure on longevity because of material...it's very cardboardish. no place to put them once removed and impossible to use if you don't. too expensive too but I like it

Cool stencils, nice thick pages for using over and over again!

Some of the stencil pages had fallen out.

Love this!! Just got it in the mail and can't wait to use some of the stencils!! The stencils come in a great book, each made out of thick cardboard, and each is very well made and looks great.
