Customer Reviews

We got this book as a gift for our honeymoon. I guess we're lucky, but most of the stuff in here we'd already dreamed up on our own and the things that we wanted to do, we'd done. Sorry, but we were wanting romantic things, not necessarily directions to have (ahem) 'marital relations' in a public place, or in our car. I was very disappointed. At one point, we just started tearing through the sealed cards, just to see if there was anything we hadn't tried. We lugged this thing to Europe for our honeymoon, and should have left it there.
